Italy and disaster preparedness ~If a disaster occurs~

Article by: Watanabe, Matuura, Ueno

About Italy

Have you ever been to Italy?
Italy is located in Southern Europe. Italy is smaller than Japan has half the population. They speak Italian. The capital of Italy is Roma.

Italian disaster

Italy is a country where earthquakes occur. It has experienced more than 30,000 earthquakes in 2500 years. Italian evacuation centers and Japanese evacuation centers are different.

In Japan, evacuation centers are generally gyms, but in Italy, tents are set up. In addition, in Italy, freshly made pasta, salads, and even desserts are offered.

Disaster Vending Machine for Life

Article by: Sato

(General Information)

(Izumo) Disaster/Shelter
<Taisha high school>
Taisha High School is a large school. Athletic club activities are strong there.

We can learn many things

there.

Cool description of information

Do you know that Taisya High School is designated as an evacuation center?
It is the second largest evacuation center in the neighborhood.
Taisya High School has vending

machines that can be used even if the infrastructure is down.

People's shelter life will be more comfortable.
